

Strengthening Families Child Assent Form

We are doing a study to learn about how participation in the Strengthening Families Program improves overall family well-being.

If you agree to be in our study, we are going to ask you some questions about how you and your family interact. You can ask questions about this study at any time. If you decide at any time not to finish, you can ask us to stop.

The questions we will ask are only about what you think. There are no right or wrong answers because this is not a test.

If you sign this paper, it means that you have read this and that you want to be in the study. If you don't want to be in the study, don't sign this paper. Being in the study is up to you, and no one will be upset if you don't sign this paper or if you change your mind later.
